**TO:** Kenneth G. Holum  
Chair of the University Senate

**FROM:** C. D. Mote, Jr.

**SUBJECT:** Actions Taken at the University Senate Meeting on April 23, 2009:  
Resolution on Promoting Responsible Action in Medical Emergencies

I am in receipt of your Memorandum of May 1<sup>st</sup> reporting actions taken by the University Senate at its April 23, 2009 meeting. Among these was its approval of a set of three Resolutions pertaining to alcohol abuse. The Senate resolved to endorse a protocol prepared by its Student Conduct Committee entitled *Promoting Responsible Action in Medical Emergencies*. The Resolutions also included a recommendation that the Office of Student Conduct adopt the protocol as an administrative procedure on a trial basis. A subsequent report by that Office to the Senate Executive Committee was requested.

This is to acknowledge receipt of these Resolutions. By copy of this Memorandum, I am forwarding them to the Vice President for Student Affairs and the Director of Student Discipline for consideration and such disposition as in their judgment they believe appropriate.

Acknowledged:
