Assistant Vice President for Facilities Management  
2310 Service Building  
Campus

Dear Frank,

On behalf of the Senate Executive Committee (SEC), I would like to express our gratitude for the efficient and timely action in response to our request for review of the pedestrian safety situation at the garage near CSPAC. Major Larry Volz of the Department of Public Safety outlined the measures that will be undertaken to ensure pedestrian safety. We in the Senate see this as a prime example of excellent management, committed service, and responsiveness to the community.

We are grateful to your serious consideration of our request.

Sincerely,
