Dear Marc,

On behalf of the Senate Executive Committee (SEC), I would like to thank you for your proposal requesting that "the ERG committee review the apportionment of the NTRF to determine if they are adequately represented and, if the ERG find they are not, request the ERG recommend corrective changes in the Plan of Organization or By-Laws."

Unfortunately, the SEC has voted against charging the ERG committee with this review. Members of the SEC felt that the current representation aligned with the requirements set forth in the Senate's Plan Organization.

Thank you for representing your constituency so thoroughly.

Sincerely,
