RE: Recommended Nominees for 2009-2010 Board of Regents USM Staff Awards

On behalf of the University Senate Staff Affairs Committee, it is my pleasure to recommend the following campus nominees for Board of Regents USM Staff Awards:

1. For exceptional contribution to the institution and/or unit to which the person belongs

Exempt: **Gary Seibel**, Research Engineer and Supervisor
Environmental Science & Technology

Nonexempt: **Fletcher Kinne**, Office Supervisor I
Department of Mathematics

2. For outstanding service to students in an academic or residential environment

Exempt: **Linda Lachman**, Adviser
College of Chemical and Life Sciences

Nonexempt: **Lois Reid**, Graduate Coordinator
Department of Biology

3. For extraordinary public service to the university or to the greater community

Exempt: **Larry Brookman**, Facility Manager

Nonexempt: **Julia Heng**, [REDACTED]

In total, we received eighteen exempt and ten nonexempt nominations, which is an increase from last year. All nominees are exceptional members of our university community. As the Council of University System Staff (CUSS) has requested that nominations be sent via email this year, the six nomination packets of the recommended nominees will be emailed to your office as PDF files. A compact disc with the same files is enclosed. We are also happy to send hard copies to your office, should you so wish.

Please contact me if I may be of further assistance. I can be reached at 301-405-9356 or via email at ceshaw@umd.edu.
