Title:	Senate Standing Committee and Council Slates
Presenter:	Eric Kasischke, Chair of the 2010-2011 Committee on Committees
Date of SEC Review:	August 31, 2010
Date of Senate Review:	September 16, 2010

Statement of Issue:	Presentation of the Senate Standing Committee and Council Slates, as generated by the Senate Committee on Committees, to be approved by the Senate Executive Committee and the University Senate.
Relevant Policy # & URL:	n/a
Recommendation:	To approve the slates as presented.
Committee Work:	The Committee on Committees met on May 14, 2010, and on May 21, 2010. At its first meeting, the committee utilized an online program in order to assist with the placement of the volunteers. The committee members were able to review the submitted volunteer statements on a projected screen. The committee began by focusing on the student vacancies on standing committees. By using the online program, the members were able to see what each committee would look like if certain volunteers were placed on a committee. The committee members used the student volunteers' top three choices from the

	<p>preference form to place them onto respective committees. By viewing committee continuing membership, the members were able to consider the diversity of college/department composition as well as diversity of gender, ethnicity, position, etc., while populating the committees. Committee members were assigned responsibilities for further recruitment as needed.</p> <p>At the second meeting on May 21, 2010, the committee followed the same process for filling the faculty and staff vacancies. The Senate Office provided the committee members with spreadsheets detailing the placements made.</p> <p>The 2010-2011 Committee on Committees voted to approve the final slate on July 27, 2010.</p> <p>The Senate Office and the Chair of the Committee on Committees worked together to fill any vacancies that arose following the meetings throughout the summer. Following the final placements, the Senate Office alerted all of the volunteers as to whether they had been placed on a committee.</p> <p>Additionally, the Senate Chair-Elect worked with the Provost's Office in order to create the slate of candidates for the Library Council. In accordance with the University Library Council Bylaws, the slate of Library Council appointees was approved by both the Senate Committee on Committees and the Provost. The Senate Office worked with the Chair of the Research Council and the Chair of the IT Council in order to create the slate of appointees for their respective councils, as well.</p>
Alternatives:	To not approve the slates.
Risks:	There are no related risks.
Financial Implications:	There are no financial implications.
Further Approvals Required: <i>(*Important for PCC Items)</i>	Presidential approval.
