Dear Chief David Mitchell,

On behalf of the Campus Affairs Committee I am offering you a standing invitation for this academic year to attend the Campus Affairs Committee meetings. We expect that safety items will be regular topics. Bob Mueck represented your department well at our last meeting. If you would like him to attend for you, he or any other officer will be welcome. You should also feel free to bring information to the committee as you see fit. Keep in mind, that the meetings are open and it can be a place to share information with the public should they choose to attend.

The dates for the future meetings this semester are below. I look forward to working with your department.

Good luck with this weekend's Duke game.
