Dr. Wallace D. Loh
President
University of Maryland, College Park
1119 Main Administration Building
College Park, MD 20742-5031

Dear Dr. Loh:

This correspondence has been sent in regard to the approval letter dated July 27, 2011 from the Maryland Higher Education Commission involving the University of Maryland, College Park's bachelor of science degree program in atmospheric and ocean [sic] science. The title of this degree program is acknowledged to be atmospheric and oceanic science and it is this title that will be included in the state inventory. Any inconveniences caused by this error are regretted.

Sincerely,

David Jorgenson
Senior Education Analyst
