Dear President Loh,

The Maryland Higher Education Commission has reviewed a request from the University of Maryland, College Park to offer a new Post Baccalaureate Certificate (P.B.C.) program in Principles of Public Health within the existing Master of Public Health. I am pleased to inform you that the program has been administratively approved. This decision was based on an analysis of the program in conjunction with the Maryland Higher Education Commission's Policies and Procedures for Academic Program Proposals, the Code of Maryland Regulations, and the Annotated Code of Maryland, Education Article. The program demonstrates potential for success, an essential factor in making this decision.

For purposes of providing enrollment and degree data to the Commission, please use the following HEGIS and CIP codes:

<u>Program Title</u>	<u>Degree Level</u>	<u>HEGIS</u>	<u>CIP</u>
Certificate in Principles of Public Health	P.B.C.	1214-00	51.2201

Should the program require any substantial changes in the future, please keep the Commission apprised. I wish you continued success.

Sincerely,

Danette G. Howard, Ph.D.
Interim Secretary of Higher Education
