Dear Mr. Wessel,

Thank you for taking the time to craft a proposal for University Senate consideration. The Senate leadership examined your document, "Resolution that the University System of Maryland Endorse Metro's Momentum Strategic Plan" and included it in the agenda of the Senate Executive Committee (SEC), which reviewed it at its October 24, 2014 meeting. The SEC did not approve a motion to forward your proposal to the Senate for further action. We recognize that Metro is an important transportation system within our region and hope that you pursue other courses of action to demonstrate your support of it. Should you have any questions, please do not hesitate to contact, Reka Montfort at 301-405-5804.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Webster".
