BACKGROUND

In February 2015, the Associate Provost and Dean for Undergraduate Studies submitted a proposal to the University Senate regarding III-1.30(A) UMCP Policy and Procedures on Academic Clemency (Appendix 1). The proposal called for a major revision to the current academic clemency policy, which was approved by the University President in 1991.

The proposal explained that the main goal of the changes to the policy is to clarify that the policy is meant to help a student get on solid footing for graduation, and therefore that only grades from 'F' to 'D+' should be available to be removed. The proposal stated that grades removed should not positively affect a student's opportunity for Latin Honors. In addition, the proposal clarified that the option for academic clemency should be automatic and guaranteed, not subject to a decision by a department or college. The proposed policy submitted with the proposal was developed in consultation with the Undergraduate Programs Advising Committee (UPAC), which includes the Assistant Deans for advising.

The Senate Executive Committee (SEC) met in March 2015 and reviewed the proposal from Undergraduate Studies. The SEC decided to charge the Academic Procedures and Standards (APAS) Committee with review of the proposed revision to the policy. The charge deadline was set for March 30, 2016 (Appendix 2).

COMMITTEE WORK

The APAS Committee began reviewing the charge in during the spring 2016 semester, following other large reviews for various charges. As instructed by the charge, the committee reviewed the current policy from 1991, as well as the University System of Maryland (USM) Policy on Academic Clemency (III-1.30) (Appendix 3).

In consulting with the Office of Undergraduate Studies, the committee determined that, as it exists now, the policy on academic clemency is ambiguous and open to different interpretations; the committee learned that many advising colleges have not allowed clemency. In some cases, students returning after five years have been allowed to take advantage of academic clemency only if their advising colleges allowed it and only under the conditions that these colleges set forth. This is complicated by the fact that returning students often change majors soon after returning to the University, so decisions on clemency are often made within a unit that is different than the student's ultimate home. As a result of these factors, the committee learned, some students have had a difficult time determining whether returning to the University was in their best interest.

The committee also reviewed a sampling of similar policies and procedures for granting academic clemency at peer institutions and other institutions in the USM, including Rutgers University, Purdue University, Indiana University-Purdue University Indianapolis, the University of Iowa, and the University of Maryland, Baltimore County (see Appendix 4). The committee found that many other institutions, including those in the Big Ten, have policies similar to the proposed policy that provide clear guidance and are uniformly enforced.

The APAS Committee carefully reviewed the text of the proposed policy over the course of a few months. The committee met with representatives of the Office of the Registrar and the Office of Undergraduate Studies to discuss the current process and the issues that exist with current implementation of the policy. The committee considered many aspects of the process in its review, including how excluding courses and grades for which clemency is granted affect a student's eligibility for Latin Honors.

Throughout its review, the APAS Committee developed a number of modifications to the proposed policy. These edits were discussed in depth by the committee members, and were also reviewed by the Office of General Counsel. On March 24, 2016, the APAS Committee voted in favor of forwarding its recommended revised version of the Policy and Procedures on Academic Clemency to the Senate for consideration.

RECOMMENDATIONS

The APAS Committee recommends that the Senate approve the recommended revised version of policy III-1.30(A) University of Maryland Policy and Procedures for Academic Clemency, which immediately follows this report, as a replacement for the current policy III-1.30(A) UMCP Policy and Procedures on Academic Clemency.

If approved by the Senate and the President, all reference documents, including the Undergraduate Catalog, should likewise be updated to reflect the revised policy.

**III-1.30(A) UNIVERSITY OF MARYLAND POLICY AND PROCEDURES ON
ACADEMIC CLEMENCY
(APPROVED BY THE PRESIDENT 1 AUGUST 1991)**

Undergraduate degree-seeking students who have reenrolled at the University of Maryland in pursuit of their initial baccalaureate degree are eligible, after a separation of at least five calendar years from the University (determined by the last day of the last attended semester), for academic clemency. Academic clemency is granted one time only, and subsequent requests will be denied.

Application for academic clemency must be filed with the Office of Undergraduate Studies (or designee) as soon as possible, and before the end of the first semester of the student's return to the University. Clemency will be recorded on the student's record following the completion of the student's first semester of reenrollment. Under clemency, up to 16 attempted credits of D+, D, D-, and F grades from courses previously completed at the University of Maryland will be removed from the calculation of the student's cumulative grade point average (GPA).

Attempted credits and grades for which clemency is granted will:

- 1) remain on the student's transcript;
- 2) not be used to satisfy degree requirements;
- 3) be excluded from the student's cumulative GPA calculation;
- 4) remain included in the calculation of Latin Honors; and
- 5) adhere to the institution's repeat guidelines and be included in the student's repeat limits.

The granting of clemency is contingent upon the student's satisfactory completion of the initial semester of reenrollment, and will be recorded by the university at that time. If the student's first semester of registration upon reenrollment is canceled, or the student withdraws from the semester, clemency will not be granted (and the student will retain the option of filing for clemency in the future).

III-1.30(A) UMCP POLICY AND PROCEDURES ON ACADEMIC CLEMENCY

(APPROVED BY THE PRESIDENT 1 AUGUST 1991)

A. Policy

It is the policy of the University of Maryland at College Park to allow undergraduate students returning to the campus after a separation of at least five calendar years to petition for the removal of a limited number of unsatisfactory or failing grades earned previously at UMCP.

B. Criteria

In order to obtain academic clemency the following must be met:

1. The student must be readmitted or reinstated at UMCP.
2. The student must be registered for classes at UMCP.
3. The student must have been separated from UMCP and not enrolled in any other four year degree program for a period of at least five full calendar years.

C. Procedures

1. The student must file a written petition with the appropriate dean.
2. The petition must contain:
 - a. the student's name and social security number;
 - b. the dates the student attended UMCP;
 - c. a list of the courses the student wishes to have removed from the calculation of the grade point average. A maximum of sixteen credits may be removed.
3. The petition must be filed as soon as possible within the first semester of the student's return to UMCP.
4. The dean shall decide which, if any, of the courses should be excluded from calculation of the student's grade point average, and shall notify the student in writing of the decision. No more than sixteen credits may be excluded. The decision of the dean is final, and approval is neither automatic nor guaranteed. If the student subsequently changes to another college, the decision of the original dean remains in effect.
5. Courses which are excluded are designated on the transcript with the notation E.C. (excluded credit) and are not counted toward graduation requirements, or in the calculation of grade point average.

Draft of proposed Academic Clemency Policy (rev Adrian Cornelius 2.6.2015)

Undergraduate degree-seeking students who have reenrolled to the University of Maryland in pursuit of their initial baccalaureate degree may, after a separation of at least five years from the University (determined by the last day of the last attended semester), file for academic clemency. Academic clemency is available one time only, and subsequent requests will not be granted.

Clemency will be granted only in the student's first semester of reenrollment. Up to 16 credits of D+, D, D- and F grades from courses previously completed at the University of Maryland will be removed from the calculation of the student's cumulative grade point average (GPA).

Courses and grades for which clemency is granted will:

- 1) Remain on the student's transcript
- 2) Cannot be used to satisfy degree requirements
- 3) Be excluded from the student's cumulative GPA calculations on the transcript
- 4) Remain included in the calculation of Latin Honors
- 5) Adhere to the institution's Repeat policy and will be included in the student's repeat limits

If the student's first semester of registration upon reenrollment is canceled, clemency will be vacated and the student will have an opportunity to once again apply for clemency. Clemency is also vacated for students who withdraw from the first semester of reenrollment. However, in the latter case, subsequent requests for clemency will not be granted.

Suggestions for how your proposal could be put into practice:

The revised policy would be announced to all colleges, departments, and advising units. Students would consult with an academic advisor when filing for academic clemency. The Registrar's Office would enforce the policy through its regular review of any proposed modifications of transcripts.

Additional Information:

USM encourages adoption of policy on academic clemency.

UMBC

Petition for Academic Clemency

Purpose: Students who are re-admitted or re-instated after a lapse of five calendar years or more may petition to have up to 16 credits of failing grades excluded from the calculation of their cumulative records. Upon approval of the petition the specified courses will be designated as non-applicable (NA) on the transcript. These credits will not be counted toward graduation requirements. Students must file the petition through the Office of the Registrar during the first semester of return to UMBC. Courses approved for exclusion from grade point average calculations may not be changed thereafter, even if the student changes his or her major. Approval of the petition is neither automatic nor guaranteed.

Procedure: The student must fill out the form below and have their advisor sign off approval. After this submit the form to the Registrar's Office.

Processing Time: 3 to 5 Business Days

The intent of the academic clemency policy is to permit students, who have a "poor record" in their previous enrollment, to exclude courses in which "poor grades" were earned. The following definitions apply with respect to academic clemency:

Poor record: The prior record must have been in a range which would place the student in danger of future academic action. Only students with less than a 2.00 cumulative grade point average are eligible for academic clemency. A single poor term would have to qualify under the non-applicable semester policy.

Poor grades: Non-passing grades such as "F", "F" on Pass/Fail, or "F" due to a converted incomplete, are the only grades which can be excluded.

In the final analysis, the decision to give clemency will be granted to insure that the prior record does not put you in academic jeopardy upon return. It will not be granted simply as a way to increase your grade point average.

Academic Renewal

Academic renewal is a recalculation of the Scholastic Indices.

1. All courses that comprise the Academic Record prior to Re-entry or Readmission will receive zero credit, are not included in the credit hour total, and make zero contribution to the calculation of the Program GPA or the Cumulative GPA.
2. The original Course grade record will remain unchanged on the transcript.
3. The Academic Renewal Policy shall be a Purdue University policy and be independent of the student's School or College.
4. Academic Renewal applies to students who have been admitted to the University under the current University Standards and Policies for Re-Entry or Readmission and have not been enrolled at Purdue University in the preceding five years.
5. Students must petition the faculty Committee on Scholastic Delinquencies and Readmission (CSDR) to have their Scholastic Indices recalculated using the Academic Renewal Policy. This recalculation will not be implemented unless the student is in good standing according to University policy, and has completed at least 12 credit hours after Re-Entry or Readmission. The petition for recalculation of the Scholastic Indices must be made by students within one full year from the start of the semester in which they are readmitted or granted Re-Entry.
6. Academic Renewal may only be granted once for a student.
7. The faculty CSDR will administer the Academic Renewal Policy.

Do you qualify for Academic Renewal?

1. Have you been readmitted or reentered to the West Lafayette campus within the last 12 months?
2. Did you return or will you be returning to West Lafayette campus after having been away from Purdue for at least five years?
3. Would it be advantageous for you to have your prior course credits and academic indices zeroed out of your record at Purdue and not have them counted toward your current curriculum requirements? (We recommend that you consult with your academic advisor prior to answering this question.)
4. Have you completed or will you soon complete at least 12 credit hours at the West Lafayette campus?
5. If you have completed course work, are you able to continue in good standing?

If you answered yes to all of these questions you may qualify for Academic Renewal. For more information or to start the Academic Renewal process, please call the Office of Admissions at 765-494-1776.

NOTICE: Keep in mind that Academic Renewal will have no impact on your status with the Division of Financial Aid. If you have questions about financial aid eligibility Division of

Indiana University–Purdue University Indianapolis

Grades - Grade Forgiveness

IUPUI has created a policy to establish an effective way to encourage capable, mature undergraduate students to return to IUPUI when they have achieved poorly during an earlier attempt at higher education within Indiana University. This policy is not available for graduate students or students seeking any second undergraduate degree.

Forgiveness is not available to students in all schools. The individual schools have the authority to honor or not honor the policy and to set stipulations on any student who is granted forgiveness. A student granted forgiveness in one unit might have that forgiveness revoked upon transferring to another IUPUI School. The option only exists at certain Indiana University campuses and not at any Purdue University campus.

The general campus policy appears below. Contact the recorder of your school to determine whether or not this option is available and appropriate for you.

IUPUI Forgiveness Policy

The purpose of this policy is to establish an effective way to encourage capable, mature students to return to IUPUI when they have achieved poorly during an earlier attempt at higher education within Indiana University. The spirit of the policy is to provide a fresh start for Indiana University students in the same way accorded to students who transfer into IUPUI from other universities.

1. The IUPUI Forgiveness policy applies to former IU students pursuing a first undergraduate degree who have been away from the IU system and have not attended any other college or university, including any campus of IU, for a minimum of the last three years. Each school may set a longer minimum if it so chooses. This policy first becomes available to students returning to IUPUI in the Fall of 1996.
2. Schools retain the right to grant forgiveness to their degree-candidates. Consequently, students must confer with each school about its specific policy. If a student changes schools, the new school may choose not to honor forgiveness granted by the student's previous school and may choose to count all courses and grades for purposes of admission to the school, granting of honors, or of meeting the minimum grade point average (g.p.a.) required for conferral of the degree; the cumulative g.p.a. would thus once again include all courses previously forgiven.
3. Students must make application for invocation of the policy upon application for admission to a degree- granting unit. If the student has not yet been admitted to a degree-

granting unit, the student should submit a notification of intent to petition for academic forgiveness as part of the academic advising process.

4. The school will evaluate the student's transcript. If the petition is approved, all courses taken previously will remain on the permanent record. Only courses with grades of A+, A, A-, B+, B, B-, C+, C, P, and S may be counted toward degree completion, though the value of these grades will not be calculated in the student's cumulative GPA. The school may establish guidelines which define a g.p.a threshold above which a student may not petition for forgiveness.
5. If the petition is approved, the student starts with a cumulative g.p.a. of 0.00 after which all the rules of academic probation and dismissal for the school will apply. After approval, the student must complete a minimum of 32 credit hours on the IUPUI campus after his/her return in order to meet the graduation residency requirement.
6. If the petition is approved, the dean of the school granting the petition has the authority to impose stipulations or conditions for continued enrollment of the student and may delegate to readmission committees or other administrative officers authority in these matters.
7. Forgiveness may be invoked only once. The policy is not available to a student pursuing a degree after a first baccalaureate degree, regardless of the level of the second degree or where the first degree was awarded.
8. Invocation of the forgiveness option does not preclude a student from using other available course-specific grade replacement options for work taken subsequent to re-enrollment.
9. Forgiveness is only available for courses taken at Indiana University. Schools retain the right to consider records of performance from other universities in determining admission to the school, granting of honors, or other matters.

Academic Forgiveness Policy

Students who have under a 2.00 cumulative grade-point average and who have not been enrolled at any Rutgers University undergraduate division for at least 10 successive semesters may be eligible for academic forgiveness from one entire semester of coursework or 12 total credits of coursework. Courses that are granted forgiveness will still have the original grade appear on the student's transcript; however, the grades for these courses will not factor into the student's cumulative grade-point average. An E-credit prefix will be placed on the transcript which notes

that academic forgiveness has been granted for the course. Students can obtain the necessary forms to apply for academic forgiveness at the Academic Services Office. All forms are to be submitted to the Academic Services Office.

If you have already graduated from the University of Iowa, you are **not** eligible to use the ReStart option whether for a second degree, teacher certification, or any other purpose. (See [Returning to earn additional majors](#) or [Returning to CLAS for successive baccalaureate degrees](#).)

Students are strongly advised to contact staff in the Academic Programs and Student Development office, 120 Schaeffer Hall, to discuss the ReStart option before submitting a ReStart application. Please call 319-335-2633 to schedule an in-person or telephone appointment.

Eligibility

The following are required for any current or former CLAS student to be eligible for ReStart:

1. You must not have graduated from the UI.

2. You must not have enrolled at the University of Iowa for at least four consecutive years.
3. You must be free from any unresolved holds placed on your enrollment by the Registrar or other UI offices.
4. You cannot have previously used the ReStart option.

ReStart policies

1. The student must meet the above eligibility requirements.
2. CLAS approval of the student's application for the ReStart option is not guaranteed.
3. All courses taken and credit hours earned during the ReStart sessions will remain on the student's permanent record (official transcript), but will be marked to show that they have been removed from computations of grade point averages.
4. The option applies only to academic sessions a) **completed while enrolled** in the College of Liberal Arts and Sciences and b) **prior** to the minimum four-year absence from the university.
5. The ReStart option does not apply to individual courses, but only to entire sessions of enrollment.
6. No tuition will be refunded for ReStart sessions.
7. The ReStart option cannot be applied to courses taken at another institution.
8. Semester hours earned in a ReStart session will not be counted toward the 120 semester hours required for graduation.
9. If a CLAS General Education requirement was completed in a ReStart session, the College will consider, on a case-by-case basis, accepting that GE requirement as satisfied. The acceptance of previously completed GE requirements is not guaranteed.
10. Any course in a ReStart session that previously fulfilled a requirement for the student's major must be reviewed by the appropriate department for a decision as to whether or not the course may now be counted as fulfilling the requirement in question. The acceptance of previously completed requirements for the major is not guaranteed.
11. Any second-grade-only options (SGO) used during a ReStart session will not count toward the CLAS limit of 3 SGOs.
12. Courses taken during a ReStart session and repeated after the student returns to UI will not be counted as duplication or regression.
13. Students may use the ReStart option only once.
14. Once applied to the student's record, the ReStart option is not reversible.

Procedures for requesting ReStart

Current and former CLAS students are strongly advised to contact staff in the Academic Programs and Student Development office, 120 Schaeffer Hall, to discuss the ReStart option before submitting a ReStart application. Please call 319-335-2633 to schedule an in-person or telephone appointment.

If you are not currently enrolled at the University of Iowa, you must file an [application for re-entry to the University of Iowa](#) before submitting a ReStart application. You must meet the published deadlines for admission to the UI.

If you were dismissed from the College of Liberal Arts and Sciences for low scholarship, you must meet with an associate director in the Academic Programs and Student Development office, 120 Schaeffer Hall, to discuss reinstatement and the ReStart option. You must meet published [reinstatement deadlines](#).

To apply for ReStart, you must submit the [ReStart application form](#), along with a personal statement addressing the problems you encountered in the ReStart semesters and describing your proposed path to degree completion. Please complete the form online by typing the requested information, print it, sign it, and send it along with the personal statement to: CLAS Academic Programs and Student Development, 120 Schaeffer Hall, Iowa City, IA, 52242-1409.

The ReStart option is not guaranteed. It may be granted only after careful consideration and review of your academic record by the Associate Dean for Undergraduate Programs and Curriculum.

Other colleges within the University of Iowa, as well as other educational institutions outside the UI, may read student transcripts differently and recalculate grade point averages to include sessions that CLAS has removed under the ReStart option.

For more information about CLAS ReStart, please contact [Academic Programs and Student Development](#), 120 Schaeffer Hall.

Cross-College Policy

The UI undergraduate colleges share the four Restart policies below; other policies may vary.

1. A student requesting ReStart must apply for ReStart through the UI college in which the student was previously enrolled during the requested semester(s). Combined degree candidates must apply for ReStart to the non-CLAS college.
2. The college of the student's previous enrollment will decide whether the semester(s) in question will qualify for ReStart.
3. All other decisions about coursework, requirements, and credit hours are left to the college from which the student plans to graduate.
4. Each college will abide by the ReStart decisions made by another college.
