Main Administration Building
College Park, MD 20742

Dear President Loh:

The Maryland Higher Education Commission received a request from the University of Maryland College Park to retitle the Master of Arts (M.A.) program in Hearing and Speech Sciences to Speech-Language Pathology. I am pleased to inform you that this request is approved.

The HEGIS and CIP codes will not change. This decision is based on an analysis of the program proposal in conjunction with the law and regulations governing academic program approval, in particular Code of Maryland Regulations (COMAR) 13B.02.03.

For the purposes of providing enrollment and degree data to the Commission, please use the following HEGIS and CIP codes:

Current Program Title	New Program Title	Award Level	HEGIS	CIP
HEARING & SPEECH SCIENCES	SPEECH-LANGUAGE PATHOLOGY	M.A.	1220-00	51.0203

Should the University of Maryland College Park desire to make a substantial modification to the program in the future, review by the Commission will be necessary. I wish you continued success.

Sincerely,

James D. Fielder, Jr., Ph.D.
Secretary
