Dear Dr. Rankin:

The Maryland Higher Education Commission has reviewed a request from the University of Maryland, College Park to offer a new Post-Baccalaureate Certificate (P.B.C.) program in Bilingual Speech-Language Pathology within the existing Master of Arts in Speech-Language Pathology.

I am pleased to inform you that the program proposal is approved. This decision is based on an analysis of the program proposal in conjunction with the law and regulations governing academic program approval, in particular Code of Maryland Regulations (COMAR) 13B.02.03. The program meets COMAR's requirements and demonstrates potential for success, an essential factor in making this decision.

For the purposes of providing enrollment and degree data to the Commission, please use the following HEGIS and CIP codes:

<u>Program Title</u>	<u>Award Level</u>	<u>HEGIS</u>	<u>CIP</u>
Bilingual Speech-Language Pathology	P.B.C.	12.2001	51.0203

Should the University of Maryland, College Park desire to make a substantial modification to the program in the future, review by the Commission will be necessary. I wish you continued success.

Sincerely,

Dr. James D. Fielder
