Dear Darryll,

Thank you for forwarding the request of the University of Maryland College Park to offer the Post-Baccalaureate Certificate (P.B.C.) in Innovation and Entrepreneurship. I understand that the certificate program will offer professional development to practitioners, innovators, and potential entrepreneurs, and the curricular requirements are composed of the elective courses that reside in the existing approved Master of Business Administration (M.B.A.).

I am pleased to approve this action. I have confidence that the certificate program will meet with much success.

Sincerely,

Jay A. Perman
Chancellor
