Office of the President

Dear Wallace,

Thank you for forwarding the request of the University of Maryland College Park to change the name of the doctoral program in Health Services to "Health Services Research" in the School of Public Health as endorsed by the appropriate faculty and administrative committees. I understand that there will be no change to the curricular requirements and that this request is to change the name to more accurately identify the program and its coursework to prospective students.

I am pleased to approve this action. I have confidence that the program will continue to meet with success under the new title.

Sincerely,

Robert L. Caret
Chancellor
