Dear Wallace,

Thank you for forwarding the request of the University of Maryland College Park to offer a new stand-alone Post-Baccalaureate Certificate (PBC) in Supporting Children with Intensive Behavior Needs. I understand the certificate comprises 15 credit hours of courses offered in collaboration with the Kennedy Krieger Center for Innovation and Leadership in Special Education (CILSE) in Baltimore and will provide professional development to Maryland public school educators who work with children with disabilities identified as having intensive behavior needs.

I am pleased to approve this action. I have confidence that the Post-Baccalaureate Certificate in Supporting Children with Intensive Behavior Needs will meet with much success.

Sincerely,

Jay A. Perman
Chancellor

Antoinette Coleman, Associate Vice Chancellor for Academic Affairs
