Dr. Darryll Pines
President
University of Maryland, College Park
Office of the President
Main Administration Building
College Park, MD 20742

Dear Darryll,

Thank you for forwarding the request of the University of Maryland, College Park to change the name of the Doctor of Philosophy (Ph.D.) in German Language and Literature Studies to Doctor of Philosophy (Ph.D.) in German Studies. I understand that there will be no change to the curricular requirements and that this request to change the name is to more accurately reflect the existing curriculum which includes cultural elements other than language and literature and to align the program to be competitive with other German Studies graduate programs at peer institutions.

I am pleased to approve this action. I have confidence that the program will continue to meet with success under the new title.

Sincerely,

Jay A. Perman
Chancellor

Antoinette Coleman, Associate Vice Chancellor for Academic Affairs
