

OFFICE OF THE CHANCELLOR

July 1, 2021

Dr. Darryll Pines
President
University of Maryland, College Park
1101 Thomas V. Miller, Jr. Administration Bldg.
College Park, MD 20742

Dear Darryll:

The Board of Regents met in public session on Thursday, June 17, 2021 via Zoom. During that meeting, they officially approved the proposal to offer the Bachelor of Science in Fermentation Science.

The Committee on Education Policy and Student Life met on May 4, 2021 and recommended approval.

Sincerely yours,

Jay A. Perman
Chancellor
