

OFFICE OF THE CHANCELLOR

December 8, 2021

Dr. Darryll J. Pines
President
University of Maryland, College Park
1101 Thomas V. Miller, Jr.
Administration Building
College Park, MD 20742

Dear Darryll:

The Board of Regents met in public session on Friday, November 12, 2021 at Salisbury University. They approved the proposal from the University of Maryland, College Park to offer the Bachelor of Arts in Technology and Information Design.

This Board action follows the recommendation for approval made at the Committee on Education Policy and Student Life meeting on September 14, 2021.

Sincerely yours,

Jay A. Perman
Chancellor
