Dr. Darryll Pines

Office of the President
Main Administration Building
College Park, MD 20742

Dear Darryll,

Thank you for forwarding the request of the University of Maryland, College Park to change the name of the Master of Science (M.S.) in Business and Management to the Master of Science in Management Studies. I understand there is no change in the curriculum and this request to change the name is to better reflect the curriculum and training offered, to position the program to be more competitive, and to align it with industry expectations.

I am pleased to approve this action. I have confidence that the program will continue to meet with success under the new title.

Sincerely,

Jay A. Perman
Chancellor
