Dear Wallace,

Thank you for forwarding the request of the University of Maryland College Park to change the name of the master-level program in Education Policy and Leadership in the College of Education to "Teaching and Learning, Policy and Leadership." I understand that there will be no change to the curricular requirements and that this request is to change the name of the program to more accurately reflect the program content and outcomes, and to align with the existing approved doctoral program in Teaching and Learning, Policy and Leadership.

I am pleased to approve these actions. I have confidence that the program will continue to meet with success under the new title.

Sincerely,

A handwritten signature in black ink that reads 'Robert L. Caret'.
